

TENNIS
SUCCESS

Educational Program for Tennis Success

Tennis Success, Inc. is made up of talented young individuals on and off the courts. ALL tennis participants must be academically acceptable to participate in events.

Educational tutorials will be available to all participants in all subject areas during specified time frames: Beginners 4:00-6:00, Intermediate 4:00-6:00, Advanced 5:00-8:00. Tennis Success, Inc. participates in the ACE (Academic Creative Engagement), provided by USTA/NJTL affiliates. The Life Skills curriculum and STEM activities may also be included in our after school academic curriculum that supports our Tennis Success mission statement. These guides support children through educational processes that include decision-making, problem solving and working together towards common goals.

- A. Identify academic areas that need study. Students will have the opportunity to get tutoring from TSI staffers, tutors, and teammates and parents.
- B. Demonstrates balance between family, school, and sports.
- C. Develop study skills and incorporate resource needs.
- D. Uphold a demeanor of respect at all times upholding the code of conduct.

Assignments will include preparedness for assistance—bringing in materials needed including worksheets, books and notes. Supplies are also provided.

Student Profiles are on file through individual progress, reports, grades and other documentation: attendance, behavior, and report cards.

Class Rewards are recognized through individual praise and /or class treats and observation of student taking leadership roles.

Conference Availability – Mon.-Thurs. 1:00-4:00 PM in Tennis Success Ed room. Please contact us at (361) 730-7007 to schedule an appointment or address concern via email tennissuccess@outlook.com.

We give Tennis Success, Ed Dept. to contact the respective school and communicate with teachers concerning progress and report card information. It is the students'/parent responsibility to turn in progress/report card information in a timely manner.
